

Sponsorship in The Boston Woods

Whatever the event - birthdays, births, anniversaries, Christmas or in memory of a loved one, sponsorship in the woods is an ideal way to celebrate a special occasion and to show someone you care about them and the environment.

The Boston Woods Trust was formed in 2001 to provide the people of Boston with much needed areas of woodland and open space for recreation purposes. To date 110 acres of woods and parkland have been established, all with full access via all-weather paths.
